

2022-2023 Strategic Plan on a Page

	STRATEGIES	ACTIVITIES			2023 Objectives	Longer Term Goals
Governance	 Develop AGLS structure and policies	Annual review of governance arrangements	Annual review of board (and committee?) performance	Ensure committee structure and resourcing remains fit for purpose	 Have sustainable committee arrangements in place, including succession planning	 AGLS's structure and policies support growing engagement with government lawyers
	 Facilitate engagement between senior lawyers on whole-of-government legal issues and build a community of leaders of the government lawyer profession	Maximise AGLS conference engagement opportunities	Continue to develop WoG legal advice database	Enlist agency heads and GC/heads of legal in support of the AGLS	 To maintain the number of conference attendees (approx. 900 in 2021)	 All heads of legal are collaborating with AGLS
	 Promote awareness of whole-of-government legal issues or initiatives	Create awareness of AGLS for WoG legal issues	Use Legal Risk Committee effectively to create awareness		 Active engagement by all committee members in the LRC	 Work with APSC to develop a govt lawyer professional stream
Engagement	 Connect and share information with government lawyers working across Australia in corporate and non-corporate government entities	Continue to develop WoG legal advice database	Facilitate opportunities for formal and informal networking		 To increase the number of active readers of AGLS's newsletter, and publish quarterly newsletters	 To create awareness of WoG legal issues and support developing common solutions
	 Promote broad participation and involvement in the AGLS	Update communication plan	Identify national champions	Embed national engagement priority as part of all strategies	 To create shared templates and resources for use by all government lawyers	 To form bilateral relationships between lawyers from different government departments
					 To increase awareness of AGLS initiatives; especially outside Canberra	 To recruit national champions who promote involvement in the AGLS
Professional Development	 Drive cultural change towards coordinated delivery of legal services and the consistent management of legal risk	Deploy GC/heads of legal induction package			 Roll out the heads of legal induction package	 The AGLS board has rolled out the heads of legal induction package
	 Establish a professional model for government lawyers, including professional standards, government legal practices and training modules	Develop a coordinated program for CPD	Provide formal training opportunities		 Develop and roll out the heads of legal contact list	 The AGLS board has rolled out the heads of legal induction package and set up the Reciprocal Secondment Program

A National Approach is Embedded in all of the Strategies of the AGLS
